Join us on **Tuesday night, June 4th at 7:30PM EDT (4:30 PM MT) for a virtual fundraiser for the Arizona Democratic Party** (<https://azdem.org/>)

AZ Dems are at the forefront of safeguarding American democracy. Arizona will play a

critical role in securing reelection for the Biden-Harris Administration, keeping our Democratic majority in the Senate, and flipping the House of Representatives. Hear from AZ Dem leaders and organizers working on the ground.

We will start with a keynote from U.S. Congressman James McGovern who represents the 2nd District of Massachusetts. In Congress, Jim works to defend human rights, reform our

campaign finance system, end hunger, and create an economy where everyone can thrive. As Ranking Minority Member of the Rules Committee, Rep. McGovern will speak to the critical races at stake in Arizona this election cycle.

## WHAT'S AT STAKE?

### Presidential:

**Joe Biden and Kamala Harris need AZ as much in 2024 as they did in 2020.** The presidential election will be very close. With 11 Electoral College votes, Arizona will once again play a pivotal role in keeping Donald Trump out of the Oval Office.

### US Congress:

**U.S. Senate** - For continued Democratic control of the Senate, it is key to elect **Representative Ruben Gallego** to the seat now held by Kyrsten Sinema. The race for Senate is now a two-way race between Rep. Gallego and the Republican Kari Lake – a former TV news anchor and election denier who nearly won the Governor's race in 2022.

### Flipping the House to stop Republican obstruction requires defense and offense -

**Retain Congressman Gallego's** House seat for Democrats and defend the House seats of **Congressmen Greg Stanton and Raul Grijalva**, and **win** as many of the 6 House seats now held by Republicans as possible, including the seats held by Maga Republicans **Andy Biggs** and **Paul Gosar**.

The 2022 midterms solidified Arizona as a battleground state, bringing in a Democratic sweep of statewide offices, including Sen. Mark Kelly and Gov. Katie Hobbs. Democrats in Arizona are working tirelessly to ensure that they solidify this success and build a better, bluer Arizona. By focusing on building and strengthening the Arizona Democratic Party multiracial coalition, including Latino, Indigenous, and Black Arizonans, and expanding the "big tent" of the Democratic Party, Arizona will continue to elect leaders that share our values.

Join us on June 4th to hear how AZ Dems plan to organize the vote, mobilize the vote, and protect the vote in 2024. Let's help Arizona build on its 2020 and 2022 wins, and deliver big Democratic wins up and down the ballot in 2024! Please donate as generously as you can.
